

IMEA 2009

The 9th international conference of postgraduate students in Informatics, Management, Economics and Administration 2009

Hradec Králové – Czech Republic, 28-29. 5. 2009

*Organized under the auspices of the Dean of the Faculty of Informatics and Management,
Doc. Ing. Václav Janeček, CSc.*

University of Hradec Kralove, Faculty of Informatics and Management is pleased to invite you to the 9th international conference of postgraduate students in Informatics, Management, Economics and Administration – IMEA 2009.

The conference is a result of the cooperation of the Faculty of Informatics and Management of the University of Hradec Kralove, Faculty of Economics of the Technical University of Liberec and Faculty of Economics and Administration of the University of Pardubice.

The aim of the conference is to enable Ph.D. students to present their partial or final results they achieved when carrying out research activities within the dissertation thesis or individual scientific research projects in informatics, management, economics and public administration.

Topics of Interest

Informatics, Management, Economics, Administration.

Language of the conference

English (Czech, Slovak).

Paper

Maximum length of the paper is 4 pages A4 format, MS Word, Times New Roman font, single spaced, font size 12. Abstract and key words listed below the headline. Full address and contacts should be indicated at the end of the paper. The Word template is located at <http://fim.uhk.cz/imea/?imea=guidelines>.

All papers are subjects to a refereeing process. The accepted papers will be published in a conference proceeding with an ISBN.

Conference award

The best papers of the conference – one in every category will be awarded. The best of them will be published in the E+M *Economics and Management* scientific journal (<http://em.kbbarko.cz/v2.php?p=aktuality>).
